by
professional
athletes
and outdoor
lovers.

PACKING LESS IS GETTING MORE.

Being spontaneous means adventure. This is possible only by being quick and simple.

Puhu products manufactured with and for the finest outdoor experience in mind. Everything is kept simple to give you the most comfortable and long lasting outdoor experience.

why?

puhu[®]

puhugear.com

Puhu contains the highest quality materials with the best ratios to help you enjoy every kind of outdoor activity in comfort.

Through its silver material content or merino, it is 100% antibacterial and eliminates odor and bacteria.

PUHU's seamless structure leaves the skin mark-free and does not bother the individual.
Its highly stretching structure allows to its user a maximum freedom of motion.

TOUGH CONDITIONS, EASY CHOICES.

**PRODUCED WITH THE
FINEST MERINO WOOL
FOR EXTRA WARMTH.**

Don't spend time to
choose a thermo.
Focus on what you
are doing outdoors.
Puhu Extra Comfort
Merino Wool will
keep you warm and
dry in every tough
condition. Its
seamless design and
43% wool content
guarantees the
most comfortable
experiences.

Extra Comfort Merino

43% Merino Wool **Men / Women**
53% Polyamide **S-XXL**
4% Elastane **Tshirt / Tights**

ACTIVE SPORTS, ACTIVE PROTECTION.

WHAT YOU WEAR MAKES THE DIFFERENCE.

Keeping your body dry is the key to long lasting and healthy outdoor experiences. Puhu Active Motion Base Layer is built especially for active sports during four seasons. Seamless body structure gives extra comfort and flexibility while you are active.

Active Motion
